

Freedom of Information Act (FOI):

This document complies with the requirements of the Information Commissioner's Model Publication Scheme for F Stott Healthcare Ltd in accordance with the Freedom of Information Act 2000 and fulfils the obligations on opticians' practices under the Act.

Introduction

This is a complete guide to the information routinely made available to the public by F Stott Healthcare Ltd. It is a description of the information about our NHS services that we make publicly available. It will be reviewed at regular intervals.

How is the information made available?

The information within each Class is available in hard copy from:

31 Wellington Road, Nantwich CW5 7ED

This guide information

We will publish any changes we make to this guide or relevant information. We will also publish any proposed changes or additions to publications already available.

Cost of Information

For the most part, we will only charge for hard copies, or copies onto media. Charges are as follows and will be reviewed regularly.

- Single hard copies – free of charge
- As the Freedom of Information Act applies to the provision of information, a request for multiple hard copies does not fall within the provisions of the Act and will attract a charge for retrieval, photocopying and postage. We will inform you of the cost of these charges that will have to be paid in advance.
- E-mail will be free of charge.

Your Rights to Information

- The Freedom of Information Act 2000 is designed to promote openness and accountability amongst all organisations that receive public money.
- Like all NHS contractors, since 1 January 2005 there has been a FOI obligation on optical practices to respond to requests about the NHS related information that they hold, and a right of access to that information has been established in law.
- These rights are subject to exemptions (see below) that have to be taken into consideration before releasing information.

- In addition to accessing the information identified in this guide, you are entitled to request information about our NHS services under the NHS Openness Code 1995.
- Under the Data Protection Act 1998, you are also entitled to access your clinical records or any other personal information held about you and you can contact any practice where your records are held to do this.

Feedback

If you have any comments about the operation of the Publication Scheme, or how we have dealt with your request for information from the scheme, please write to:
