

## NHS Evergreen Carbon Reduction Plan Summary

Supplier: F Stott Healthcare

Date: 14 January 2026

### 1. Net Zero Commitment

F Stott Healthcare commits to achieving Net Zero by 2045 in alignment with PPN 006 and the NHS Net Zero Supplier Roadmap.

### 2. Organisational Profile

- Micro-enterprise
- Paperless operations
- Home office (20 hrs/week)
- No company vehicles

### 3. Emissions Inventory (Baseline 2024/25)

- Scope 1: 0.0 tCO2e
- Scope 2: TBC (apportioned home-office electricity)
- Scope 3 (required categories): 3.4 tCO2e

### 4. Carbon Reduction Targets

- ≥40% commuting reduction by 2028
- ≥50% Scope 2 reduction by renewable electricity
- Full Scope 3 expansion by 2027
- Net Zero by 2050

### 5. Actions Taken

- Paperless workflows
- Remote-first delivery
- Home-office efficiency practices

### 6. Planned Actions

- Renewable electricity procurement
- Dual reporting of Scope 2
- Modal shift, EV access
- Evergreen alignment and annual CRP publication

### 7. Governance

The CRP is approved at Director level and updated annually.
